Travel Tips for Japan

November 2014

Japan

Japan, is a group of islands in East Asia. Populated by ancient temples and ruins that show a glimpse into the past of Japan. Located in the heart of the country, Tokyo, the change architecture from ancient to modern is apparent. A city that doesn't sleep, Tokyo is a technological giant, yet still has the culture of Japan flowing through it. Japan is a country full of sites to see, from cultural, to natural, to even technological.
